CONSTRUCTION Networking

Buildinnovision Real Estate & Construction Networking was created to bring together visionaries within the construction and real estate industries who understand the power of building strong, lasting connections.

Buildinnovision Construction Networking is where the industry comes to connect, collaborate, and create opportunities. This high-energy happy hour event brings together contractors, builders, architects, suppliers, real estate developers, and other key professionals for an evening of meaningful networking, relationship building, and idea sharing.

WHY SPONSOR BUILD INNOVATION?

- ▶ Direct Access to Industry Leaders: Connect with qualified attendees who influence purchasing decisions.
- ▶ High-Visibility Branding: Your company featured in event signage, marketing materials, and social media promotions.
- ▶ Lead Generation: Gain valuable contacts — *sponsors receive our guest registration list after the event.
- ▶ Showcase Your Expertise: Highlight your products or services during the event through displays, demos, or presentations.
- ▶ Community Recognition: Position your company as an active supporter of industry collaboration and growth.
